HITKARINI COLLEGE OF ENGINEERING AND TECHNOLOGY

Approved by AICTE | Affiliated to RGPV & RDVV | Recognised by DTE Bhopal

Why choose HCET Jabalpur...

EXPERIENCED FACULTY

HCET faculty members are well-qualified and highly experienced, benefiting the students studying here.

HCET के फैकल्टी सदस्य उच्च योग्यता प्राप्त और अत्यंत अनुभवी हैं, जिसका लाभ यहां अध्ययनरत विद्यार्थियों को मिलता है।

MODERN INFRASTRUCTURE

Teaching at the college is conducted through modern smart classrooms, and all laboratories are well-equipped to provide students with the best theoretical and practical knowledge.

कॉलेज में टीचिंग मॉडर्न स्मार्ट क्लासरूम में होती है तथा सभी लैबों में आधुनिकतम उपकरण उपलब्ध हैं। जिससे विद्यार्थियों को श्रेष्ठ थ्योरिटिकल एवं प्रैक्टिकल ज्ञान प्राप्त हो सके।

INDUSTRY - ORIENTED LEARNING & RESEARCH

Students are taught theory, practicals, and industry-ready skills, helping them secure jobs easily. In addition students are encouraged and guided to work on projects and innovations, enhancing their practical knowledge.

विद्यार्थियों को थ्योरी, प्रैक्टिकल के साथ इंडस्ट्री-रेडी स्किल्स सिखाई जाती हैं, जिससे उन्हें रोजगार पाने में आसानी होती है। साथ ही विद्यार्थियों को प्रोजेक्ट्स और ईनोवेशन के लिए प्रोत्साहन व मार्गदर्शन दिया जाता है।

PLACEMENT ASSISTANCE

At HCET, strong placements and expert career support help students secure high-paying jobs in top companies even before graduation, with special training in personality development, confidence, and leadership skills.

HCET में बेहतरीन प्लेसमेंट और करियर सपोर्ट के माध्यम से विद्यार्थी अंतिम वर्ष में ही बड़ी कंपनियों में उच्च वेतनमान पर चयनित होते हैं। साथ ही Personality Development, Self-Confidence और Leadership Skills की विशेष ट्रेनिंग भी दी जाती है।

ALUMINI STRENGTHS

Over 10,000 HCET alumni are excelling across India and abroad, proudly elevating the institute's name while mentoring current students.

10,000 से अधिक HCET के पूर्व विद्यार्थी देश-विदेश में सफलता के साथ संस्था का नाम रोशन कर रहे हैं और वर्तमान विद्यार्थियों का मार्गदर्शन भी कर रहे हैं।

29+ YEARS LEGACY IN STATE

One of the most trusted engineering college in the state, run by the 156-year-old Hitkarini Sabha.

राज्य के विश्वसनीय इंजीनियरिंग कॉलेजों में से एक HCET, उत्कृष्ट शिक्षा के लिये समर्पित 157 वर्ष पुरानी हितकारिणी सभा द्वारा संचालित की जा रही है।

BEST LOCATION

Jabalpur, a leading education hub, hosts HCET a landmark of brilliant Architecture and innovation is situated near RDVV in a serene, scenic, and expansive campus.

जबलपुर शिक्षा का प्रमुख केंद्र है जहां HCET जो एक वास्तुकला का बेहतरीन नमूना है जिसका शांत, सुरम्य और विशाल परिसर RDVV के निकट स्थित है।

FOR OVERALL DEVELOPMENT

Regular workshops, seminars, and symposiums are conducted for overall development, with active encouragement to participate in NCC, NSS, and sports.

विद्यार्थियों के समग्र विकास हेतु नियमित वर्कशॉप्स, सेमिनार व संगोष्ठियाँ आयोजित की जाती हैं, साथ ही NCC, NSS और खेलों में भाग लेने के लिए प्रेरित किया जाता।

TRANSPORTATION FACILITY

Convenient bus transportation is available from all parts of the city, ensuring safe and regular commuting for students.

शहर के सभी क्षेत्रों से संस्था की बसों द्वारा सुरक्षित और नियमित परिवहन सुविधा उपलब्ध है, जिससे विद्यार्थियों का आवागमन सुगम रहता है।

Charter of Hitkarini Sabha

नहि ज्ञानेन सदृशं पवित्रमिह विद्यते
भगवत गीता, अध्याय 4, श्लोक 38

The above shloka of the Bhagvad Gita is the part of the logo of **HITKARINI SABHA** since a long long time and has been the guiding sutra, and again in its light we -
We Reiterate Our Purpose | Who We Are and What We Do -

WE BELIEVE THAT

- ◆ Good Education can transform lives, bring progress & prosperity to our nation, and make human society even better.
- ◆ We are a philanthropic educational organization with wide social participation, which makes a significant contribution to the society by providing high quality education at an affordable cost, bringing it within the reach of even the underprivileged, where this education should become life transforming.
- ◆ Good Education should be available to everyone irrespective of their gender, economic status and any other differentiator.
- ◆ We have a duty to support the nation and its government by providing good education to the people.
- ◆ We should have long-term sustainable, ethical relationships with our students, teachers, employees, vendors, members, donors, alumni and the whole community.

THIS IS ACHIEVED BY

- ◆ Good governance, at all levels, coupled with effective leadership and administration, which has helped us survive and grow for the last 150 years, bringing abundant goodwill and a unique reputation, and we will continue to follow and strengthen these foundations.
- ◆ Engaging committed teachers who are the most important resource in providing education and encouraging them to continuously enhance their knowledge, skills and abilities.
- ◆ Creating economically self sustaining units in the long run, reinvesting surpluses, promoting and nurturing innovation, new courses & subjects, taking up initiatives in tune with the times, research and outreach.
- ◆ Evolving the purview of Good education from time to time, presently stated as:
 - ◆ Imparting knowledge.
 - ◆ Developing ability to self acquire knowledge.
 - ◆ Learning how to apply what has been learned.
 - ◆ Encompasses development of entire personality with activities in Kaksha, Manch and Maidan.
 - ◆ Imparting Life Skills.

Hon'ble CHAIRMAN (FOUNDER)

It is a matter of pride to see Hitkarini College of Engineering and Technology (HCET), established in 1997 under Hitkarini Sabha (est. 1868), growing as a center of quality technical education.

Our vision is to nurture skilled engineers with strong values, innovation, and responsibility. I encourage students to stay dedicated, uphold institutional values, and strive for excellence in all endeavors.

Shri Chandra Mohan Das

Hon'ble CHAIRMAN (INCUMBENT)

Welcome to Hitkarini College of Engineering and Technology (HCET), continuing the legacy of Hitkarini Sabha (est. 1868) since 1997.

We focus on developing industry-ready professionals through practical learning and strong academic foundations. I encourage students to utilize opportunities, work with dedication, and build a successful future while contributing meaningfully to society.

Er. Nitin Agrawal

Computer Science Engineering CSE - Artificial Intelligence & Machine Learning, CSE-Data Science

ABOUT THE BRANCH

Computer Science Engineering, CSE - Artificial Intelligence & Machine Learning, CSE-Data Science at **HCET** represent cutting edge programme on building secure intelligent & connected system for modern industries with specialization in AI, Cloud Infrastructure & Integrating, Core Computational Logic.

WHY CHOOSE CSE

Computer Science Engineering (CSE) High demand in IT sector, High salary potential, Global job opportunities work on AI, ML, Data Science, easy startup & freelancing options & strong coding & problem-solving skills Jobs in top companies (e.g., Google, Microsoft) Fast career growth Remote/work-from-home flexibility scope in every industry.

CAREER OPPORTUNITIES & GROWTH

Graduates are prepared for high demand specialized roles with significant salary potential.

Primary Role: AI/ML Engineer, Data Scientist, Cloud & DevOps Engineer, Cyber Security analyst & Solution Architect.

Market salary insights:

- Data Scientist/AI Engineer-₹ 8-25 LPA
- Software Developer-₹ 6-15 LPA
- Cyber Security analyst-₹ 10-11 LPA
- IoT Engineer-₹ 4-5 LPA

HCET ADVANTAGE

- Prestigious Engineering College of Mahakaushal region.
- State of the Art laboratories & modern workshop.
- Digital Library & high speed WiFi Campus.
- Strong Placement support.
- Experience faculty & Research exposure.
- Industry oriented learning.
- Scholarship available.

PRACTICAL

LEARNING HIGHLIGHTS

- **Live projects:** Industries based learning with exposure to professional corporate work flow.
- Advanced innovation labs: Dedicated Hi-tech Labs for AI/ML & Data Science.
- **Certification Support :** Global certification including AWS, Google Cloud, Microsoft Azure.
- MOU with different remarkable companies.
- Hackathons & Workshops.

CIVIL ENGINEERING MECHANICAL ENGINEERING

Admission Open

ABOUT THE CE BRANCH

Civil Engineering is a core engineering branch that deals with the Planning, Design, Construction and Maintenance of Infrastructure such as Buildings, Roads, Bridges, Dams and Water Systems. It focuses on sustainable development, public safety, and improving quality of life through efficient use of materials, technology, and environmental considerations.

WHY CHOOSE CE

Choose CE for its strong career opportunities, social impact, and diverse fields like construction, transportation & environmental engineering. It offers job stability, practical work, and chances to shape infrastructure and communities. Civil engineers contribute directly to development, sustainability, and improving living standards, making it a meaningful & rewarding profession.

ABOUT THE ME BRANCH

Mechanical Engineering is a core branch dealing with Design, Analysis, Manufacturing and Maintenance of Machines and Systems. It covers areas like Thermodynamics, Fluid Mechanics, Robotics, and Production. This field plays a vital role in industries such as Automotive, Aerospace, Energy, and Manufacturing, driving innovation and technological advancement globally.

WHY CHOOSE ME

Choose Mechanical Engineering for its vast scope, versatility, and strong demand across industries. It offers opportunities in Design, Manufacturing, Automation, and Research. The branch builds strong analytical and problem-solving skills. It also provides global career prospects, job stability, and the ability to work on innovative technologies shaping the future.

CAREER OPPORTUNITIES & GROWTH

MARKET SALARY INSIGHTS

For Civil Engineers:

- Site Engineer - ₹ 4.5-6 LPA
- Project Engineer - ₹ 4-7 LPA
- QA/QE Engineer - ₹ 4.5-8 LPA
- Billing Engineer - ₹ 3-5 LPA
- Estimation Engineer - ₹ 3.5-6 LPA
- Structural Engineer - ₹ 3.5-7 LPA
- Highway Design Engineer - ₹ 3.5-6 LPA
- Hydraulic Engineer - ₹ 3.5-6 LPA
- Govt. Sectors - ₹ 6-8 LPA

For Mechanical Engineers:

- Production Engineer - ₹ 4-7 LPA
- Quality Engineer - ₹ 3-5 LPA
- Maintenance Engineer - ₹ 4-6 LPA
- Manufacturing Engineer - ₹ 4-7 LPA
- Plant Engineer - ₹ 4-6 LPA
- Design Engineer - ₹ 4-8 LPA
- R&D Engineer - ₹ 4.5-10 LPA
- Automobile Engineer - ₹ 4-8 LPA
- Aerospace Engineer - ₹ 5-12 LPA
- Thermal Engineer - ₹ 4-8 LPA
- Robotics Engineer - ₹ 5-12 LPA
- Power Plant Engineer - ₹ 5-9 LPA
- Govt & PSU's - ₹ 12-16 LPA

PRACTICAL LEARNING HIGHLIGHTS

- **Live projects:** Industries based learning with exposure to professional corporate work flow.
- **Adv innovation labs:** Dedicated Hi-tech Labs for CAD.
- **Certification Support :** AutoCAD Civil 3D/CAE, GIS & Remote Sensing, NPTEL, SWAYAM, CPWD, ANSYS/ Abaqus.
- **MOU with different remarkable companies.**

ELECTRONICS & COMMUNICATION ENGINEERING

ELECTRICAL & ELECTRONICS ENGINEERING

Admission Open

ABOUT THE ECE BRANCH

ECE deals with design, development, testing & maintenance of electronic circuits, devices, and communication systems. It powers everything from smartphones to satellites, 5G networks, IoT devices, and defense systems. ECE bridges hardware + software with focus on innovation, connectivity, and smart technology.

WHY CHOOSE ECE

Choose ECE for its vast scope, high demand, and future-ready careers. Work in semiconductors, telecom, embedded systems, robotics, and AI hardware.

ABOUT THE ECE BRANCH

Electrical & Electronics Engineering deals with generation, transmission, distribution & utilization of electrical power along with electronic circuits, control systems, and instrumentation. It powers everything from power grids to electric vehicles, smart grids, renewable energy, and industrial automation. ELEX bridges heavy electrical + modern electronics.

WHY CHOOSE ELEX

Choose ELEX for its core strength and evergreen demand. The world runs on electricity – from homes to industries to EVs. Work in power sector, automation, renewable energy, and embedded systems. Offers job stability, Govt PSU chances via GATE, and roles in green energy transition. ELEX engineers drive India's power, metro, and smart city projects.

CAREER OPPORTUNITIES & GROWTH

MARKET SALARY INSIGHTS

For ECE

- VLSI Design Engineer - ₹ 8-25 LPA
- Embedded Systems - ₹ 6-18 LPA
- Telecom/RF - ₹ 5-15 LPA
- Software Developer - ₹ 4-12 LPA

MBA DUAL SPECIALISATION

INFORMATION TECHNOLOGY HUMAN RESOURCES MANAGEMENT MARKETING & FINANCE

BUILD THE FUTURE. MASTER OF BUSSINESS ADMINISTRATION

The Master of Business Administration (MBA) at HCET is a premier programme designed to shape the next generation of corporate leaders. Our curriculum blends core management theory with real-world applications, offering specialized tracks in IT, Finance, Marketing, and HR. We focus on developing strategic thinking, leadership excellence, and the analytical skills required to navigate today's global business landscape.

WHY CHOOSE MBA ?

The MBA offers a fast track to the boardroom. The program opens doors to high-paying managerial roles across industries, offering strong career growth and global opportunities.

CAREER OPPORTUNITIES:

Our graduates are prepared for high-impact managerial and leadership roles across diverse industries, with strong earning potential in the competitive global market.

PRIMARY ROLES:

Investment Banker, Marketing Manager, Brand Manager, HR Business Partner, Talent Acquisition Specialist, IT Project Manager, Business Analyst, Operations Manager, Product Manager, Financial Analyst, Management Consultant, Digital Marketing Manager, Supply Chain Manager, Entrepreneur / Startup Founder

MARKET SALARY INSIGHTS:

Finance / Investment Manager: 8–20 LPA | Marketing & Brand Manager: 7–18 LPA
HR Manager / Business Partner: 6–12 LPA | IT / Systems Manager: 8–15 LPA

THE HCET EDGE

- Leading management institute in the Mahakaushal region.
- Modern Infra, labs, smart classrooms, Digital library and high-speed Wi-Fi.
- Strong ties with top-tier corporate recruiters.
- Learn from industry experts and distinguished faculty.
- Focus on case studies, internships, and industry visits.
- Scholarships available for deserving students.
